**Please read:** Our company philosophy is based on the spiritual discipline of Falun Dafa, and Shen Yun's mission is to revive traditional Chinese culture and its enduring values. We have thus made meditation practice part of our daily schedule, finding that it greatly benefits our performers.

Applicants should be willing to learn Falun Dafa and follow its principles of "Truthfulness, Compassion, and Tolerance." No previous experience is required. We suggest candidates familiarize themselves with the practice by reading the books *Falun Gong* and *Zhuan Falun* that can be downloaded for free at [www.FalunDafa.org](http://www.FalunDafa.org). Again, thank you for your interest. We look forward to hearing from you.
